

Excursion Form

Choir members of the ***Singing Sensations Youth Choir*** participate throughout the year in community and regional events, performances and tours. Choir members are supervised by the Director and choir volunteers. Every reasonable precaution is taken to insure the safety of chorus members. However, there are inherent risks in travel and during activities which take place at and away from the regular rehearsal venue. The ***Singing Sensations Youth Choir*** believes these experiences are valuable and requires the commitment from Chorus members to attend these events.

This Excursion Permission form will allow your child to travel with the choir, on foot or by public or commercial transport, anytime during the choir season. You will be informed of all excursions prior to the date of the event. Only members with properly signed Excursion Permission forms may accompany the choir on events away from the regular rehearsal venue.

I do hereby give permission for my child, _____, to participate in all activities of the ***Singing Sensations Youth Choir*** for the 2012-2013 season. These activities include, but are not limited to, rehearsals, performances and recreational activities at regular rehearsal spaces, public areas and community venues. I also give permission for my child to accompany the choir on choir tours within and out of the State of Maryland.
